This year, in lieu of buying a ticket to our annual TSA BASH, we encourage you to instead make an equivalent donation (\$35) to support the City of Toronto's COVID-19 Relief and Recovery Fund.

Funds donated to the City of Toronto's COVID-19 response will directly contribute to the delivery of vital, community-focused services, both now and during recovery. From food support for the most vulnerable and personal protective equipment for frontline staff to much needed supplies and services for shelters during rapid rehousing, designating your gift allows the City.
